## Yellow Sticky Card Trap

---

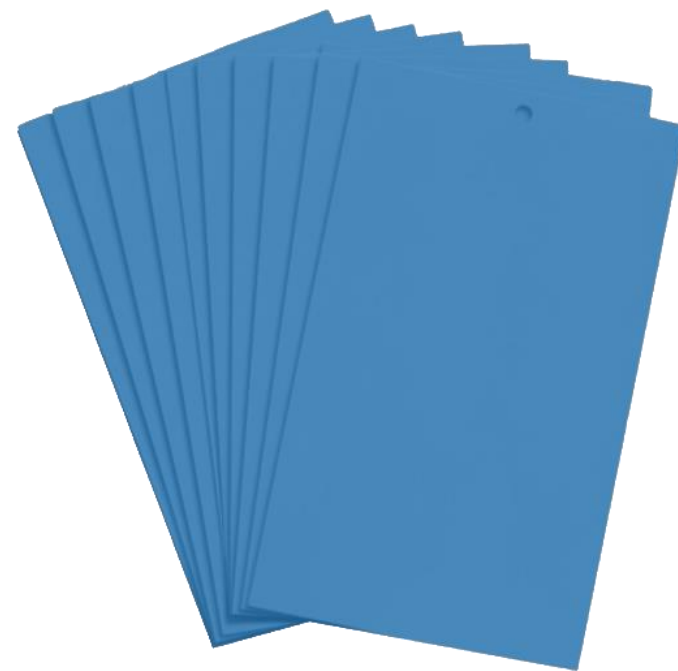

- **Dimension:** 10cm × 25cm , 25 cm x 40 cm
- **Color:** Yellow
- **Material:** PVC or Paper
- **Target:** White Fly, Tuta Absoluta (tomato pinworm), Aphids
- **Recommended Quantity:** 150 pieces per 1000 m<sup>2</sup>  
Note: It is possible to manufacture sticky cards of the desired size upon request.

## Blue Sticky Card Trap

---

- **Dimension:** 10cm × 25cm, 25 cm x 40 cm
- **Color:** Blue
- **Material:** PVC or Paper
- **Target:** White Fly, Thrips, Aphids
- **Recommended Quantity:** 150 pieces per 1000 m<sup>2</sup>
- **Note:** It is possible to manufacture sticky cards of the desired size upon request.

## Black Sticky Card Trap

---

- **Dimension:** 25cm × 40cm
- **Color:** Yellow
- **Material:** PVC or Paper
- **Target:** Tuta Absoluta (tomato pinworm)
- **Note:** It is possible to manufacture sticky cards of the desired size upon request.

# Yellow Sticky Roll Trap

---

- **Dimension:** 15cm × 100m
- **Color:** Yellow
- **Material:** Polyethylene (PE)
- **Target:** The Whitefly, Aphid, Fruit Flies, Thrips and other pests.
- **Purpose:** Mass-trapping
- **Application:** Sticky traps (roll type) are attached to the structural elements (columns, pillars) of greenhouses and are placed parallel to the rows of cultivated plants. Traps should be placed slightly above the plants. In gardens tapes could be stretched between trees. Also tapes can be wrapped around a tree trunk to protect from insects rising from the ground.
- **Recommended Quantity:** 150 meters per 1000 m<sup>2</sup>

## Blue Sticky Roll Trap

---

- **Dimension:** 30cm × 100m
- **Color:** Blue
- **Material:** Polyethylene (PE)
- **Target:** Thrips, Houseflies and other pests.
- **Purpose:** Mass-trapping
- **Application:** Sticky traps (roll type) are attached to the structural elements (columns, pillars) of greenhouses and are placed parallel to the rows of cultivated plants. Traps should be placed slightly above the plants. In gardens tapes could be stretched between trees. Also tapes can be wrapped around a tree trunk to protect from insects rising from the ground.
- **Recommended Quantity:** 150 meters per 1000 m<sup>2</sup>

# Yellow Sticky Roll Trap

---

- **Dimension:** 30cm × 100m

Color: Yellow
